On 1st November 2007 BT increased their line rental charges by almost 5%. This of course is excellent news for all IBNetworks existing clients who are now saving more money each month by using the IBNetworks Calls and Line Rental package. If your line rental is still with BT you will now save up to 23% by switching to IBNetworks.

There have been new warnings regarding telephone system security after a number of companies telephone systems have been hacked in to during 2007. One company received a telephone bill of £17,000 of calls made to Barbados over a weekend period when their normal monthly bill never usually exceeds £1000.00. Another company was hit with a £4000.00 bill when two calls were made from their telephone system to 0871 (High National Rate numbers 10pence per minute) and the calls lasted over 17 days each !! Another company was hit for over £100,000
